J A Team Training
Practice Management Consultancy Service

Jane Armitage Cert DPM Dip DPM
Now offers a Dental Consultancy Service for Practitioners, Managers or full Dental Teams.

Who you going to call?
Jane Armitage  Cert D.P.M. Dip D.P.M.

I also hold D32 D33 Vocational Assessors Award. I have been a BDA Good Practice Assessor since the introduction of the BDA Good Practice scheme began. I also act as a BDA Good Practice Regional Consultant. In November 2009 I was privileged to receive the Certificate of Merit for services to the profession at the BDA Awards andHonours.

During the past few years I seem to have become a contact point for Dentists & Managers who encounter problems with the daily protocols and procedures of Practice Management, Clinical Governance, Staff Motivation, Policies and Procedures. These all form part of compliance, therefore it is my aim to help Dental teams improve their professional lives by helping to implement systems that work for you and ensure Practice success.

Allowing the Clinicians to spend more time doing what you trained for and less time with the headache of paperwork.

Since 2005 the Sheffield Practice I manage has received 18 accolades to include:
